

학위논문 작성지침 Thesis Preparation Guidelines

1. The thesis must be prepared on A4-sized paper (210 × 297 mm) and printed on white paper of at least 80 g/m² .
※ However, the cover page (Form 1), flyleaf (blank page following the cover), title page and approval page (Form 2) must be printed single-sided.
2. The final thesis cover must be printed on gray-leatherette cover paper, with black lettering, and bound using non-adhesive (thread) binding
3. The thesis must be bound in the following order:
 - ① Cover Page (Form 1)
 - ② Flyleaf (blank page after the cover)
 - ③ Title Page & Approval Page (Form 2)
 - ④ Table of Contents
 - ⑤ Abstract (Form 3, written in the same language as the thesis, within two pages)
 - ⑥ Main Text
 - ⑦ References
 - ⑧ Appendix (if any)
 - ⑨ Abstract (Form 4, written in English if the thesis is written in Korean, or in Korean if the thesis is written in another language, within two pages)
4. In principle, the thesis should be written in Korean; however, it may be written in another language with the approval of the academic advisor.
5. The date on the Approval Page (Form 2) must indicate the actual date of the final thesis approval (final defense completion date).
6. When writing the thesis in English, capitalize the first letter of the title and all major words, except articles, conjunctions, and prepositions.

7. The citation and reference format must conform to the academic standards of the respective discipline, under the supervision of the advisory professor.
8. The thesis must comply with the institutional plagiarism prevention policy
